

# TRAIN'D UP SAFEGUARDING POLICY

## POLICY STATEMENT

Train'd Up is committed to ensuring all learners under 18 (and those aged 18, 19 and 20 who have been looked after by a local authority at any time after attaining the age of 16 or have a learning disability) and adults at risk are kept safe, healthy, and free from harm whilst attending learning programmes. Train'd Up informs all learners of the processes to follow if they have any concerns.

All staff who have regular contact with learners are Disclosure and Barring Service (DBS) checked prior to commencement of employment. Train'd Up staff recruitment procedures require information about past convictions and pending cases, taking up appropriate references, and checking previous employment histories.

Mandatory Safeguarding Training is completed by all staff working with learners. This policy is mandatory for staff, Safeguarding is everyone's responsibility.

## REASONS FOR THIS POLICY

This policy exists to ensure that Train'd Up implements appropriate arrangements and processes to ensure that its staff have the right resources, skills, and training to protect children, young people, and adults at risk from harm.

## SAFEGUARDING CULTURE

At Train'd Up we are committed to ensuring our learners feel safe at work and in their learning. Our staff promote this culture throughout the learner journey, and this includes the education of learners in areas such as online safety and workplace behaviours as well as the message that sexual abuse and harassment are not acceptable or tolerated. Learners are made aware that any concerns they raise are taken seriously and that they will be supported when raising a concern.

*Respecting People – Developing Business*

## POLICY PROMOTION

This policy will be communicated and promoted through a variety of communication channels to all staff, learners, subcontractors, and customers. These include Induction training (new staff and learners), refresher training (staff), specific and embedded learning during the training programme (learners), Staff and Learner Handbooks and the policy will be published on our website. The inclusion of this policy in our 'Document Master Log' and company website ensures staff commitment to our culture and responsibilities and informs their terms and conditions.

## LEGAL FRAMEWORK

This Policy and associated procedures has been drawn up on the basis of law and guidance that seeks to protect children, namely:

- Children Act 1989 and 2004
- Working Together to Safeguard Children HM Government July 2018
- Keeping Children Safe in Education DfE September 2021
- Counter Terrorism and Security Act 2015
- Revised Prevent Duty guidance April 2021
- Care Act 2014
- Equality Act 2010

The Directors and Senior Management Team takes seriously all statutory responsibilities to safeguard and promote the welfare of children; and to work together with other agencies to ensure adequate arrangements are in place to identify, assess and support those young learners who are suffering harm.

#### LINKED POLICIES:

- Acceptable Use Of ICT
- Email & Internet Policy
- Equal Opportunities & Diversity
- Harassment and Bullying
- Health and Safety
- Learner Support
- Prevent
- Whistleblowing

#### DEFINITIONS

Legislation specifically relates to children and adults at risk as defined below, however Train'd Up is committed to the safeguarding of all learners and the term learners is therefore used throughout this policy.

#### DEFINITIONS – SAFEGUARDING CHILDREN:

Safeguarding and promoting the welfare of children is defined in Keeping children Safe in Education (2021) as:

- Protecting children from maltreatment
- Preventing impairment of children's health or development
- Ensuring that children grow up in circumstances consistent with the provisions of safe and effective care and
- Taking action to enable all children to have the best outcomes

#### DEFINITIONS – SAFEGUARDING ADULTS:

An adult at risk of abuse or neglect is defined as someone who has needs for care and support, who is experiencing, or at risk of, abuse or neglect and as a result of their care needs - is unable to protect themselves. For the purposes of this policy, an adult is a person, aged 18 years and over who is at a greater risk of suffering abuse or neglect because of physical, mental, sensory, learning, or cognitive illnesses or disabilities; and substance misuse or brain injury.

The Care Act 2014 describes safeguarding as a means of protecting an adult's right to live in safety, free from abuse and neglect. It further states that it is about people and organisations

working together to prevent and stop both the risks and experience of abuse or neglect, while at the same time making sure that the adult's wellbeing is promoted including, where appropriate, having regard to their views, wishes, feelings and beliefs in deciding on any action.

#### SAFEGUARDING ISSUES:

Safeguarding actions may be needed to protect learners from the following safeguarding issues and explanations and definitions can be found within Appendix A of this Policy.

- Child Sexual Exploitation
- Child Trafficking
- County Lines
- Domestic violence and abuse
- Emotional Abuse
- Female Genital Mutilation (FGM)
- Forced Marriage
- Gangs
- Neglect
- Peer on Peer Abuse
- Physical Abuse
- Relationship Abuse
- Sexual Abuse

#### PEER ON PEER ABUSE:

It is important to recognise that learners are capable of abusing their peers and be aware that safeguarding issues can manifest themselves via peer-on-peer abuse. Peer on peer abuse is abuse young people may experience from their peers who are the same or a similar age and under the age of 18 years. Peer on peer abuse can take various forms and can include the following safeguarding issues:

- Bullying (including cyberbullying)
- Child Sexual Exploitation
- Gender-based Violence
- Initiation/hazing type violence and rituals
- Physical Abuse
- Relationship Abuse
- Sexual Violence and Sexual Harassment
- Sexting (Youth Produced Sexual Imagery)
- Up-skirting
- Youth and Serious Youth Violence

Staff need to be aware that abuse is abuse and should never be tolerated or passed off as 'banter' or 'part of growing up' and to recognise that there is a gendered nature of peer-on-peer abuse in that it is more likely that girls will be victims and boys the perpetrators. Train'd Up will take any concerns of this nature very seriously and concerns should be raised in the same way as any other concerns to the Safeguarding Team. For Adult Safeguarding, the Care Act 2014 sets out the different types and patterns of abuse and neglect for adults at risk as:

- Physical Abuse
- Psychological Abuse
- Financial/Material Abuse

- Sexual Abuse
- Organisational Abuse
- Neglect
- Discriminatory Abuse
- Domestic Violence
- Modern Slavery
- Self-Neglect

## **SAFEGUARDING REFERRAL PROCESS (ESCALATION) STAFF RESPONSIBILITY**

All staff have a responsibility to our learners to deal with concerns or disclosures about their wellbeing including actual or suspected abuse. The following process applies to any learner.

### SCENARIOS:

#### *Scenario 1: Concerns*

A member of staff has concerns about a learner due to their appearance, behaviour, expressed opinions or events they describe.

#### *Scenario 2 Learner Disclosure*

A member of staff has a learner who wants to disclose and discuss an event or act that has happened to them, this may include acts of abuse, bullying, neglect, harm and/or grooming. Where a member of staff has concerns or learners make a disclosure their account must be taken seriously and listened to and a full record should be made as soon as possible.

### CONFIDENTIALITY:

Promises of confidentiality should not be given to learners as concerns and disclosures may be referred to external agencies.

### THE REFERRAL PROCESS (ESCALATION):

All staff have Safeguarding responsibilities and must raise a concern with a Designated Safeguarding Lead.

If the learner is in crisis or at risk of harming themselves contact the Designated Safeguarding Lead by phone for immediate advice and guidance.

Staff must escalate any safeguarding concerns they have regarding a learner, including welfare to the Designated Safeguarding Leads by emailing [safeguarding@traindup.org](mailto:safeguarding@traindup.org) the basis of a concern can be wide ranging and can include:

- the identification of a potential indicator of abuse.
- disclosed evidence of abuse by the learner.

The Designated Safeguarding Lead records the details of the disclosure on the Safeguarding Concern / Disclosure Log.

The Designated Safeguarding Lead immediately completes an investigation, provides advice and guidance, and updates the referral source of the outcome within 24 hours of the referral.

The outcome decision lies with the Designated Safeguarding Lead based on the facts presented and Legislative requirements.

Outcome decisions include:

- A. Local Authority Child Protection Referral.
- B. Referral to the Police.
- C. Referral to Channel.
- D. Signposting to an external source of support.

E. No escalation action but monitor the incident, disclosure, or concern.

In the event that the outcome is to refer to an external body, as a national provider we will access current referral details from the relevant Local Authority website and follow the detailed referral process. This would be submitted within 24 hours of the outcome decision.

The Designated Safeguarding Lead will update the Safeguarding Concerns document and records any action required and undertaken.

The Designated Safeguarding Leads will maintain all Safeguarding Reports in a designated secure area with restricted access.

In the event of learner disclosure, the staff member can offer the learner the opportunity to speak directly to the Designated Safeguarding Lead as an alternative to themselves. The Designated Safeguarding Lead will follow the process above.

In the event a member of staff discovers that an act of Female Genital Mutilation appears to have been carried out on a girl under the age of 18 the staff member must report this to the Police.

#### CONCERNS REGARDING STAFF MEMBERS CONDUCT INCLUDING SUSPICION OR ALLEGATION OF ABUSE:

Any suspicion or allegation of abuse by a member of staff must be reported to one of the Designated Safeguarding Leads, who will communicate and report to the Operations Director for investigation.

#### MAKING PROTECTED DISCLOSURES (WHISTLE BLOWING POLICY):

Train'd Up has arrangements in place for staff to make "protected disclosures" (or whistle blowing). These are set out in the 'Document Master Log' which is discussed and issued to individuals on appointment to the company. Staff should report concerns in confidence to their line manager. Where a member of staff is not satisfied with the explanation given, they can take it up with the appropriate organisation or body such as the Police or Social Services. Where an incident needs to be disclosed in respect of a learner's welfare, or suspected abuse it should be reported to one of the designated contacts for implementing the Train'd Up Safeguarding policy.

- Isolating you from friends and family
- Threatening to spread rumours about you
- Saying things like "If you loved me you would..."
- Putting you down all the time, using names like 'frigid' or 'slut' to control what you do, humiliate you and destroy your self-esteem
- Trying to control your life (telling you how to dress, who you hang out with and what you say)
- Threatening to harm you or to self-harm if you leave them

### **GANGS**

Sometimes young people in gangs feel they don't have choices and have to do what's expected of them from other gang members, be it sexual or illegal.

If you're in a gang and you're being pressured or expected to engage in any activity you don't want to do, seek help [here](#) or contact [Childline](#) to speak to a trained advisor who understands the pressures of being involved in a gang.

### **NEGLECT**

Neglect is when the people who are supposed to be looking after you such as your parents or carers (including foster carers and family friends) don't take care of you or provide you with the things you need. They may also make it hard for you to take care of yourself. This

Https://Traindupuk.Sharepoint.Com/Sites/Documentmasterlog/Shared Documents/Policies - Procedures - Forms/24-25 Policies/Safeguarding Policy/Safeguarding Policy V16 09.24.Docx

is neglect. Neglect could include:

Get more information here: [Neglect | Childhelp National Child Abuse Hotline \(childhelpline.org\)](https://www.childhelpline.org.uk)

### PEER ON PEER ABUSE

Peer-on-peer abuse is any form of physical, sexual, emotional, financial, and/or coercive control exercised between children and young people; this includes intimate and non-intimate relationships.

This abuse can:

- Be motivated by perceived differences e.g. on grounds of race, religion, gender, sexual orientation, disability, or other differences.
- Result in significant, long-lasting, and traumatic isolation, intimidation, or violence to the victim; vulnerable adults are at particular risk of harm.

if you are worried or want to learn more about Peer-on-Peer abuse please contact [Childline](https://www.childline.org.uk).

### PHYSICAL ABUSE

Physical abuse is when someone deliberately hurts you. Some people use violence to force someone to do something or threaten to use it to control them. It could include:

- Hitting
- Punching
- Kicking
- Slapping
- Pushing someone against a wall and refusing to let them go
- Holding somebody down

No one has the right to hurt you. Physical abuse can take place once or over a long period of time. It is not right and you need to tell someone. [Help with Physical abuse](#)

### RELATIONSHIP ABUSE *People – Developing Business*

Abuse is not normal and never ok. If you are in a relationship with someone, you should feel loved, safe, respected, and free to be yourself.

So when we're talking about relationship abuse, we mean unacceptable behaviour between two people. You don't have to be an 'official' couple to experience abuse and it doesn't matter what your relationship looks like; gay, straight, or bi, or whether you're a girl, boy or have another gender identity. To learn more about relationship abuse visit [Getting help for domestic violence and abuse - NHS \(www.nhs.uk\)](https://www.nhs.uk).

### SEXUAL ABUSE

Sexual abuse is when someone is pressurised, forced, tricked, or intimidated into taking part in any kind of sexual activity with an adult or another young person.

This can include kissing, touching the young person's genitals (private parts) or breasts,

<https://Traindupuk.Sharepoint.Com/Sites/Documentmasterlog/Shared Documents/Policies - Procedures - Forms/24-25 Policies/Safeguarding Policy/Safeguarding Policy V16 09.24.Docx>

intercourse, or oral sex, looking or taking part in pornography or being pressured not to use contraception. It can happen to anyone - boys and girls. Forcing someone to do any sexual acts they don't want to is rape or sexual assault. This kind of abuse can sometimes happen in relationships.

If you recognise any of the signs of abuse in your own relationship, you can get help here [Help after rape and sexual assault - NHS \(www.nhs.uk\)](https://www.nhs.uk). **If you are being sexually abused it's not your fault and you're not alone.**
